

# UNITED IS THE WAY™

United is the way we build  
a thriving Chattanooga.

We're taking a **whole-family,  
whole-community** approach  
to uplifting our neighbors.

Here's how you can join us:

## OUR COMMUNITY'S NEEDS ARE CLEAR

Nearly **11,000** households with  
children face financial hardship in  
Hamilton County—a **15% increase** in  
just one year.

## GIVE

Your dollar stays local,  
building an ecosystem of  
support in Chattanooga  
that meets urgent needs  
while investing in our  
community's future.

## ADVOCATE

We drive lasting change  
by amplifying our  
neighbors' voices—at the  
local, state, and federal  
levels—and by equipping  
others to do the same.

## VOLUNTEER

We connect neighbors of  
all ages to volunteerism,  
building a more  
connected, vibrant  
community while saving  
local nonprofits  
thousands of dollars,  
annually.

Now, more than ever, it's our moment to stand  
in the gaps for those who can't. **Thank you**  
for being a changemaker in Chattanooga!
